(Hillman Hall)

Would you look at what came down the road today
Wanting me to be one more mistake to make
A bridge to burn to get to someone new
Hey, pass me by if you're only passing through.

You sure look like the traveling kind to me
But don't stop if this ain't where you want to be
Now I don't know what you think you run into
Hey, pass me by if you're only passing through.

--- Instrumental ---

I'm not gonna be a stepping stone
Among the other hearts that you've walked on
Lord, help me if I fall in love with you
Hey, pass me by if you're only passing through.

Hey, pass me by if you're only passing through...
