Beneath this snowy mantle cold and clean  
The unborn grass lies waiting for its coat to turn to  
green  
The snowbird sings the song he always sings  
And speaks to me of flowers that will bloom again in  
spring

When I was young, my heart was young then too  
Anything that it would tell me  
That's the thing that I would do  
But now I feel such emptiness within  
For the thing that I want most in life  
Is the thing that I can't win

Spread your tiny wings and fly away  
And take the snow back with you  
Where it came from on that day  
The one I love forever is untrue  
And if I could you know that I would  
Fly away with you

The breeze along the river seems to say  
That he'll only break my heart again should I decide to  
stay  
So little snowbird take me with you when you go  
To that land of gentle breezes where the peaceful  
waters flow

Spread your tiny wings and fly away  
And take the snow back with you  
Where it came from on that day  
The one I love forever is untrue  
And if I could you know that I would  
Fly away with you

Yeah, if I could you know that I would  
Fly away with you
