(Liz Anderson)

All the love you promised would be mine forever
I would have bet my bottom dollar on
Well, it sure turned out to be a short forever
Just once I turned my back and you were gone.

From now on all my friends are gonna be strangers
I'm all through ever trusting anyone
The only thing I can count on now is my fingers
I was a fool believing you and now you are gone.

--- Instrumental ---

It amazes me not knowing any better than
To think I had a love that could be true
Why I should be taken out tarred and feathered
To have let myself be taken in by you.

From now on all my friends are gonna be strangers
I'm all through ever trusting anyone
The only thing I can count on now is my fingers
I was a fool believing you and now you are gone...
