There are so many ways to love a man and so many  
things to understand  
And if there ever comes a time he'll stay to change his  
mind  
I'll need a way to hold him and I can if I know all the  
ways to love a man  
But there's so many ways to lose a man so quickly he  
can slip through your hands  
One little thing goes wrong then all at once he's gone  
And I'd have no way to hold him like I planned  
It takes more than just one way to love a man  
With my hands in my heart anything I can find my child  
my home my soul and my mind  
I'll know that I can hold him oh yes I can if I know all the  
ways to love a man
