(Jerry Reed Hubbard)

Six foot six he stood on the ground
Weighed two hundred and thirty five pounds
But I saw that giant of a man brought down to his knees
by love
He was the kind of a man that would gamble on luck
Look you in the eye and never back up
But I saw him cryin' like a little whipped pup because of
love.

Can see it with your eyes, hold it in your hand
But like the wind that covers our land
Strong enough to rule the heart of any man this thing
called love
It can lift you up never let you down
Take your world and turn it all around
Ever since time nothing's ever been found that's
stronger than love.

--- Instrumental ---

Most people like me they struggle in doubt
Trouble their minds day in and day out
Too busy with livin' to worry about a little word called
love
But when I see a mother's tenderness
As she holds her baby to her breast
Than I thank God that the world's been blessed with a
thing called love.

Can see it with your eyes, hold it in your hand
But like the wind that covers our land
Strong enough to rule the heart of any man this thing
called love
It can lift you up never let you down
Take your world and turn it all around
Ever since time nothing's ever been found that's
stronger than love...
