(Bill LaBounty - Roy Freeland)

Ev'rybody likes a celebration
Happy music and conversation
I'd be lyin' if I said I never got the blues
So pardon me for my disposition
You see I just can't keep from wishin'
I was celebratin' too.

I know this night won't last forever
I know the sun gotta shine sometime
I got some hope for a bright tomorrow
I know this heart gonna mend just fine.

In the corner there's a couple dancin'
From the kitchen I can hear them laughin'
Playin' the same ole songs on the radio
I wish I didn't have to sit and listen
And be reminded of what I'm missin'
Cause I would rather be lonesome alone.

Suddenly there's a strange vibration
From my head to my toes
Fillin' me with a warm sensation
Somebody's lettin' me know.

I know this night can't last forever
I know the sun gotta shine sometime
I got some hope for a bright tomorrow
I know this heart gonna mend just fine...
