"Ways To Love A Man"

Visit "[Ways To Love A Man](#)" on MotoLyrics.com

There are so many ways to love a man and so many
things to understand
And if there ever comes a time he'll stay to change his
mind
I'll need a way to hold him and I can if I know all the
ways to love a man
But there's so many ways to lose a man so quickly he
can slip through your hands
One little thing goes wrong then all at once he's gone
And I'd have no way to hold him like I planned

It takes more than just one way to love a man
With my hands in my heart anything I can find my child
my home my soul and my mind
I'll know that I can hold him oh yes I can if I know all the
ways to love a man
