The end has come and found us here with our toys
scattered all around us here
The puzzle that we couldn't find an answer for
Still asks us darling just what all the games were for
And here we stand in a box of sands
Where's the playground Bobby you're the one who's
supposed to know his way around
Where's the playground Bobby if I don't stay around if I
don't stay around
[piano]
The carousel has stopped us here it twirled a time or
two and then it dropped us here
And still you're not content with something about me
But what merry-go-round could you ride without me
To take your hand oh how would you stand
Where's the playground Bobby if I decide to let you go
and play around
Where's the playground Bobby if I don't stay around if I
don't stay around
Where's the playground Bobby...
