(Jim Webb)

The end has come and found us here  
With our toys scattered all around us here  
The puzzle that we couldn't find an answer for  
Still asks us darlin' just what all the games were for.

And here we stand in a box of sand  
Where's the playground Bobby?  
You're the one who's supposed to know his way around  
Where's the playground Bobby  
If I don't stay around, if I don't stay around.

--- Instrumental ---

The carousel has stopped us here it twirled a time or two  
And then it dropped us here  
And still you're not content with something about me  
But what merry-go-round could you ride without me  
To take your hand oh how would you stand?

Where's the playground Bobby  
You're the one who's supposed to know his way around  
Where's the playground Bobby  
If I don't stay around, if I don't stay around.

Where's the playground Bobby  
You're the one who's supposed to know his way around  
Where's the playground Bobby  
If I don't stay around, if I don't stay around...
