(Hal Bynum - Jim Kandy)

I know any feeling you may have ever felt for me is
gone
Oh I'm a fool but I'm not fool enough to try to keep on
hanging on
But today the world is giving me a hard time
I need someone to help me to ease my mind
And loving you the way I do who could I turn to but you.

Time and time again I stayed away although God
knows I needed you
If you'd just be with me tonight I swear that's all I'll ever
ask of you
I just can't face another night alone
I've gone as far as I can all night on
And loving you the way I do who could I turn to.

I just can't face another night alone
I've gone as far as I can on my own
And loving you the way I do who could I turn to but
you...
