For once in my life I know the meaning of happiness  
And what it means to have a dream come true  
Cause every day I wake up singing livin' on the  
sunshine love is bringing  
And it's wonderful knowin' that I owe it all to you  
At last I've got a reason to be a living  
I'm at the end of the rainbow and the gold is in my  
hands  
Your love is so sweet I can't refuse it heaven help me if  
I ever lose it  
Cause my whole world's just knowing you're my man

I don't understand you but God knows I love you you're  
my man  
I feel so safe when I'm in your arms cause you're all  
man  
You're heaven on earth and so dependable  
Together we're a team that's just unbendable  
I want the whole wide world to know you're my man  
[ strings ]  
At last I've got a reason to be a living...  
Oh my whole world's just knowing you're my man my  
man my man
