Mmm

Don't'cha think I'm like a spider  
spinning lies  
Won't'cha step inside my parlour  
little fly

My oh my, my, my  
My oh my, my my, my my, my, my

Mmm

Flying like a paper glider  
round and round  
Won't you let me try and softly  
guide you down

My oh my, oh, my  
My oh my, my my, my my

and it was all night  
I was wondering what I could do  
and it'll be alright  
when I get together with you  
we've got a lot of oooh to do

Mmm,

Now my eyes are open wider  
little fly (heh)  
Won't'cha step inside my parlour  
or die

My oh my, oh, my  
My oh my, my my, my my

and it was all night (all night)  
I was wondering what I could do  
and it'll be alright (all)  
when I get together with you  
we've got a lot of oooh

all night (all)  
I was wondering what I could do  
and it'll be alright (all night)

when I get together with you  
we've got a lot of ooooh to do

all night (all night)  
I was wondering what I could do  
and it'll be alright (all)  
when I get together with you
