I was walking through the park
Looking for strangers
There was something in the dark
Doo, doo-doo-doo, doo, doo, doo-doo
Then I jumped back in a fright
Was there a danger?
I knew something wasn't right
Doo, doo-doo-doo, doo, doo, doo-doo
Doo, doo-doo-doo, doo, doo, doo-doo

Come out, I know that you're there
I have a gun, so you'd better beware

Stop, in the name of the law
If you want, you have the right to protest
Stop, in the name of the law
But this is the Central Park Arrest

Didn't know what I should do
She was on patrol
Was there one or was there two
Doo, doo-doo-doo, doo, doo, doo-doo
I felt something coming near
Losing her control
Then I shot out in the air
Doo, doo-doo-doo, doo, doo, doo-doo
Doo, doo-doo-doo, doo, doo, doo-doo

Come out, I know that you're there
I have a gun, so you'd better beware

Stop, in the name of the law
If you want, you have the right to protest
Stop, in the name of the law
But this is the Central Park Arrest
