We'll dance in the dark
And we'll sing in the rain
Fly down to Rio
On top of a plane

You wear your top hat
I'll wear my sarong
We'll take Manhattan
Along with King Kong

Matinee moonlight
Far away places
Shimmering sunsets
and stargazers
Hollywood Romance
There's a place for you

We'll tango in Paris
Begin the beguine
Take it in turns
On the African Queen

We'll live in a palace
Like citizen Kane
Or swing in the Jungle
With Tarzan and Jane

Matinee moonlight
Far away places
Shimmering sunsets
and stargazers
Hollywood Romance
There's a place for you

oooh

I wonder who will
soon be holding you tight
romancing through the night

We'll dance in the dark
And we'll sing in the rain

Fly down to Rio
On top of a plane

You wear your top hat
I'll wear my sarong
We'll take Manhattan
Along with King Kong

Matinee moonlight
Far away places
Shimmering sunsets
and stargazers
Hollywood Romance
There's a place for you

Matinee moonlight
Far away places
you and me both
are stargazers
Hollywood Romance
There's a place for you

Matinee moonlight
Far away places
Shimmering sunsets
and stargazers
Hollywood Romance
There's a place for you

....for you
