If you are looking for loving  
You might have to wait a little while  
For it is hidden inside by the tears that I cried  
When his love died

But you could hug and squeeze me, nice and easy  
Not too fast you gotta make it last  
You could hug and squeeze me, nice and easy

If you are looking for loving  
You might see me fake a little smile  
For it has all been denied with the rest of my pride  
When his love died

But you could hug and squeeze me, nice and easy  
Really slow and let the feeling grow  
You could hug and squeeze me, nice and easy

Please hug and squeeze me

But you could hug and squeeze me, nice and easy  
Not too tight and make it last all night  
You could hug and squeeze me, nice and easy

Hug and squeeze me, nice and easy
