My man and me  
we're close as anyone could ever be  
for two  
ooh and when I see his face  
the worries of the day just disappear  
don't ask me why...

My man and me  
we never seem to quarrel 'bout a thing  
it's true  
ooh for anything he says  
I know is good enough for me  
don't ask me why...

But I won't let him down  
and I want it just that way forever and ever  
one and one together  
that's my man and me  
my man and me

doo doo doo, doo doo

My man and me  
we're close as anyone could ever be  
for two  
ooh and when I see his face  
the worries of the day just disappear  
don't ask me why...

But I won't let him go  
and it's gonna be that way for ever and ever  
one and one together  
that's my man and me  
my man and me

that's my man and me  
my man and me  
my man and me

my man and me  
my man and me  
my man and me

my man and me
