No honestly
I know we were meant to be
Nothing's gonna change the way I feel about you
No, no, no no

No honestly
I'll make you a guarantee
Nothing's gonna change the way I feel about you
No, no, no, no

Doesn't matter if you're rich or you're poor
All you need is a lot of loving
That is what we got each other for
When without you, I got nothing

No honestly
I know we were meant to be
Nothing's gonna change the way I feel about you
No, no, no no

No honestly
I'll make you a guarantee
Nothing's gonna change the way I feel about you
No, no, no, no

No, no, no, no
No, no, no, no

Doesn't matter what the future may hold
If you say we can stay together
You're my rainbow and my pot of gold
And it's gonna be that way forever

No honestly
I know we were meant to be
Nothing's gonna change the way I feel about you
No, no, no no

No honestly
I'll make you a guarantee
Nothing's gonna to change the way I feel about you
No, no, no, no

No honestly
I know we were meant to be
Nothing's gonna change the way I feel about you
No, no, no no

No honestly
I'll make you a better guarantee
No - no
Nothings gonna change the way I feel about you
No, no, no no
