Who's the guy with the dancing feet
makes my heart start thumping with a rhythmy beat
it's my once in a lifetime, rhythm and blue jean baby

Get myself ready on a Saturday Night
with my eye lids painted and my dress real tight
for my one in a million rhythm and blue jean baby

We'll hear some soul and a little rock
keep on dancing till the music stops
for my be-bop-a-loo-la, rhythm and blue jean baby

Heh, Heh, Heh,

Yooo oooh

We'll hear some soul and a little rock
keep on dancing till the music stops
for my one in a million, rhythm and blue jean baby

Who's the guy with the dancing feet
makes my heart start thumping with a rhythmy beat
it's my once in a lifetime, rhythm and blue jean baby

my be-bop-a-loo-la, rhythm and blue jean baby

Keep on dancing till the music stops
for little bit of soul and a lot of rock

Keep on dancing till the music stops
for little bit of soul and a lot of rock

Keep on dancing till the music stops
for little bit of soul and a lot of rock
