Pitter-patter pitter-patter ....  
Pitter-patter pitter-patter ....

One drop of rain on your window pane  
Doesn't mean to say there's a thunderstorm comin'  
Rain may pour for an hour or more  
But it doesn't matter, you know it doesn't matter

One gentle breeze blowin' softly through the trees  
Doesn't mean to say there's a hurricane hummin'  
Don't go running ev'ry time you hear it coming  
It doesn't matter, you know it doesn't matter

One little word that you may have overheard  
Doesn't mean to say that my love for you is dyin'  
Don't go cryin' over second hand lyin'  
'Cos it doesn't matter, you know it doesn't matter

It's a storm in a teacup  
Brewing up double all those tiny little troubles  
A storm in a teacup  
It really doesn't matter  
If it pitter-pitter-patters all the day

Pidder-padder pidder-padder ....  
It doesn't matter, no no it doesn't matter

One little word that you may have overheard  
Doesn't mean to say that my love for you is dyin'  
So don't start cryin' over second hand lyin'  
'Cos it doesn't matter, you know it doesn't matter

It's a storm in a teacup  
Brewing up double all those tiny little troubles  
Storm in a teacup  
It really doesn't matter  
If it pitter-pitter-patters all the day

Pitter-patter pitter-patter ....

It's a storm in a teacup  
Brewing up double all those tiny little troubles

Storm in a teacup  
It really doesn't matter  
If it pitter-pitter-patters all the day
