I gave my heart
I don't know why
You never do the things like the other guys
You don't buy me flowers
You don't call me up
But you give me something
I need a lot

You give me those feelings
You give me those feelings
The kind that money can't buy
They kind of leave but not quite
Feelings and when you get feelings
Who could need anything more

I don't know why
But I love you so
However hard I try well they still don't go
With you sloppy kisses
and your funny chin
You really don't know the state I'm in

You give me those feelings
You give me those feelings
The kind that make your handshake
Just like a tiny earthquake
Feelings and when you get feelings
who could need anything more

Aaah

Feelings, you give me those feelings
The kind that money can't buy
They kind of leave but not quite
Feelings and when you get feelings
Who could need anything more
Isn't it what life is for

Aaah
