I recall when I used to come home never had a dime  
But Lord I always had a good time  
And I recall drinkin' wine with one of my friends  
Lord, I can't go back again

Am I losin' my own way back home  
Am I losin' a good friend that I've known  
Am I losin' won't You tell me how I've sinned  
Why am I losin' one of my bets friends

And I recall this friend of mine I knew so well  
It goes to show Lord You just can't tell  
Now my friend won't talk to me let me tell You why  
He thinks I've changed because of a dollar sign

Am I losin' my own way back home  
Am I losin' a good friend that I've known  
Am I losin' won't You tell me how I've sinned  
Why am I losin' one of my bets friends

It's so strange and it's so strange  
When you get just a little money  
It's so strange, your so called friends  
Want to act just a little funny  
Yes they'll blame you

But I'm not the one that's here to blame  
It's you my friend that's really changed  
It's a shame, such a shame  
Am I losin' once again

Why these things happen, Lord I don't understand  
But Lord it can sure hurt a man  
And why won't my friend take me as I am  
'Cause your friend Lord is the most important thing

Am I losin' my own way back home  
Am I losin' a good friend that I've known  
Am I losin' won't You tell me how I've sinned  
Why am I losin' one of my bets friends

Tell me people what good is that
