Life is so strange when it's changin, yes indeed
Well I've seen the hard times and the pressure's been
on me
But I keep on workin like the workin man do
And I've got my act together, I'm gonna walk all over
you

Gimme back my bullets
Put em back where they belong
I Ain't foolin around 'cause I done had my fun
Ain't gonna see no more damage done
Gimme back my bullets uh

Sweet talkin people done ran me out of town
And I drank enough whiskey to float a battleship
around
But I'm leavin this game one step ahead of you
And you will not hear me cry I do not sing the blues

Gimme back my bullets uh
Put em back where they belong
Ain't foolin around cause I done had my fun
Ain't gonna see no more damage done
Gimme back, gimme back my bullets
Hey!
Oh, put em back

Been up and down since I turned seventeen
Well I've been on top, and then it seems I lost my
dream
But I got it back, I'm feelin better everyday
Tell all them pencil pushers, stay the fuck out of my
way
Hey!

Gimme back my bullets
Put em back where they belong
I Ain't foolin around, cause I done had my fun
Ain't gonna see no more damage done
Gimme back, gimme back g-g-g-gimme back my bull-
bullet, bullets!
Gimme back my bullets

Oh put em back where they belong
Gimme back my bullets
