(gary rossington, johnnyvan-zant, ed king, robert white johnson)

Every woman's out there lookin' for a rich man  
And every man's out there looking for a perfect ten  
Can't always get what you want sometimes  
So your better off just takin' what you can

Money won't make you happy baby  
And a perfect woman son's gonna make you sad  
If you think that's where it's at, then I'm telling you,  
your wrong  
Cause you can have it all one day and then it's gone  
You can search all of your life, and still not find  
What you want, ain't what you've got

(chorus)

Good lovin' so hard to find  
Could this be the right place, at the right time  
Good lovin', feels so fine  
I just can't get enough  
Cause good lovin's hard to find, so hard to find

We all need good lovin'  
Ain't talkin' about no one night stand  
Some have the touch, and others just a hand  
But when you find the right one then you'll understand

Can't always get what you want sometimes  
So you're better off just takin' what you can  
You can search all of your life, and still not find  
What you want ain't what you've got

(chorus)

Good lovin' so hard to find  
Could this be the right place at the right time  
Good lovin' feels so fine  
I just can't get enough, I just can't get enough  
Some of that good good love  
Some of that good good love

Some of that good, good love  
Good lovin'  
So hard to find  
Good lovin'  
Make you loose your mind  
Good lovin'  
Good good love  
Good lovin'  
Some of that lovin' baby
