Got That Right
by Lynyrd Skynyrd

Well I've heard lots of people said they gonna settle
down,
You don't see their faces and they don't come around,
Well, I'm not that way, I've got to move along...

I like to drink and dance all night,
Comes to a fix, not afraid to fight,
You got that right?
Said, you got that right?
Sure got that right!

Seems so long I been out on my own,
Drivin' the land and I'm always alone,
Guess I was born with a travellin' bone...

I like to drink and dance all night,
Comes to a fix, not afraid to fight,
You got that right?
Said, you got that right?
Sure got that right!

I tried all the things in my life,
Things that I like, I tried twice.
You got that right?
Said, you got that right?
Sure got that right!

When my time's over, out on my own,
You won't find me in an old folks' home
You got that right?
Said, you got that right?
Sure got that right!
