Since my baby left me
I found a new place to dwell
Down on the edge of lonely street
Heartbreak hotel

I'm so lonely, baby
Just so lonely, baby
I'm so lonely I could

The Bellhop's tears keep oozing
The desk clerk's dressed in puss
It's been so long on lonely street
But that isn't unjust, he deserves it, you know

He's so lonely, baby
Just so lonely, baby
He's so desolate he could die

If your baby leaves you
And you can't find nowhere to dwell
Just take a walk down lonely street
To heartbreak hotel

'Cause when you do
You'll be so lonely, baby
I swear, just so lonely, darling
You'll be so miserable you could die

Thank you
