Failed again so just leave me alone
Define, define, define
Failed again so just leave me alone
Define, define, define

I've heard it all before
I've seen this ship a thousand times
Oh, I've seen it all before
It's tall and harder when they fall

Say hello, it's me, let's go
I'm thinking your thoughts and you're thinkin' mine
Oh, it's you, hello, let's go
I've tried so hard but again I

Failed again so just leave me alone
Define, define, define
Failed again so just leave me alone
Define, define, define

Touch me, baby, I'll take you home
I know a friend, I know a friend
Touch me, baby, I'll take you home
Define, define, define
I've heard it all before
I've seen this ship a million times
Oh, I've seen it all before
It's tall and harder when they fall

Say hello, it's me, let's go
I'm thinking your thoughts and you're thinkin' mine
Oh, it's you, hello, let's go
I've tried so hard but again I

Failed again so just leave me alone
Define, define, define
Failed again so just leave me alone
Define, define, define

Define, define, define Define, define, define Define,
define, define
