Well, I'll tell you plainly baby what I plan to do
'Cause I may be crazy woman but I ain't no fool
See your daddy's rich, mama, you're overdue
But I ain't the one, baby, been messing with you

Got bells in your mind, mama
So won't you pardon me?
I think it's time for me to move along
I do believe

You're trying to put the hook in me baby

Now you're talking jive, woman, when you say to me
Your daddy's gonna take us in mama and take care of
me
You know and I know, woman, I ain't the one
I never hurt you sweet heart, I never pulled my gun

Got bells in your mind, mama
So won't you pardon me?
I think it's time for me to move along
I do believe

Time for me to put my boots out in the street baby
Are you ready Boots? Walk on

All right there Missy, let me tell you a thing or two

Yeah you're talking jive, woman, when you say to me
Your daddy's gonna take us in baby and take care of
me
When you know and I know, woman, I ain't the one
I never hurt you sweet heart, I never pulled my gun

Got bells in your mind, baby
So won't you pardon me?
I think it's time for me to move along
I do believe

Oh I'm spinnin' in the middle of some kinda conspiracy
