Well, I'll tell you plainly, baby
What I plan to do
'Cause I may be crazy tomorrow
But I ain't no fool
Your daddy's rich, mama
You're overdue
But I ain't the one, baby
I've been messing with you

Got bells in your mind, baby
It's easy to see, yeah
I think it's time for me to move along, oh
I do believe
Oh, you're trying to put her up with me baby

Now you're talking jive, baby
When you say to me
Your daddy's gonna take us in mama
An' take care of me
You know and I know lady
I ain't the one
Never hurt you sweetheart, oh Lord
Never pulled my gun

Got bells in your mind, mama
Oh, it's easy to see, yeah
I think it's time for me to move along, oh
I have to believe
Time for me to put my boots out in the street 'cause,
walk on

Girl now, alright there missy
Let me tell you a thing or two
Half-hearted baby

Now you're talking jive, baby
When you say to me
Your daddy's gonna take us in mama
Take care of me
When you know an' I know lady
I ain't the one
Never hurt you sweetheart

Never pulled my gun

Got rings in your eyes, lady

It's easy to see, yeah

I think it's time for me to move along, oh

I have to believe

Oh, I must be in the middle of some kind of conspiracy,

oh God
