Ain't no reason why I should feel this way
I got everything going for now
Might have it all, some people say

But each time I think of your smiling face
For I took upon inside now
In your sweet love I can take

'Cause I lost the best thing
I miss you more everyday
And I know deep inside me
No one can take your place, oh no

Sometimes when I am lonely
And I can feel your presence near
Well, I look at your picture
And your sweet voice I can often hear

But every time I really see you
Oh, my heart often smiles
And at that precise moment
I break up all inside

'Cause I lost the best thing
I miss you more everyday
And I know deep inside me
No one can take your place, oh no

Oh, all alone, I've lost you
T'was nothing you could do
I lost my only creation
And now I'm paying all the due

But every time I really see you
Oh, my heart often smiles
And at that precise moment
I break up all inside

'Cause I lost the best thing
I miss you more everyday
And I know deep inside me
No one can take your place, oh no
