Ooh baby

I said baby, mama I don't know your name  
But I say lady, oh sugar I can play your game

And every night when we leave your hall baby  
I see you hangin' around  
You wanna ride in my big black car babe  
Wanna go uptown [Incomprehensible]

I know who you are baby  
And I know what they call you girl  
I'll never put you down baby  
See I'm just like you, baby I'm on a hunt  
Oh you never know I'm huntin'

I know lady  
All people gonna talk about you and me  
And let me say one thing mama  
Oh sugar I do as I please

So if you wanna love me baby  
Well I'm your man  
And all those high falutin' society people  
I don't care if they don't understand

I know who you are baby  
And I know what they call you girl  
I'll never put you down baby  
See I'm just like you, baby I'm on a hunt  
Oh I'm a man on huntin', ooh

Oh mama

My daddy told me baby  
Oh a long time ago  
"Well there's two things, son  
Oh there's two things you should know"

And in these two things baby  
Oh you must take a pride  
And that's a horse and a woman

Oh both of them you ride mister

I know who you are baby  
And I know what they call you girl  
I'll never put you down baby  
See I'm just like you, baby I'm on a hunt

I know who you are baby  
And I know what they call you girl  
I'll never put you down baby  
See I'm just like you, baby I'm on a hunt

Oh baby I'm a huntin' and you  
You know I'm a hunting Pittsburgh  
[Incomprehensible]
