Angels sing and buzzards fly
Kingdoms fall and rivers rise
It's all the same - saints and sinners alike
Some are free but we're all doin' time

One day at a time
Smell the roses - taste the wine
One day at a time
No stop signs or red lights
That wheel keeps turning
On and on - day and night
No one survives
Ain't no use in cryin'
What ain't dead is surely dyin'
One day at a time

Money burns and good gold shines
Dreamers dream and finder's find
Work keeps spinning round and round
Save our souls before it all comes down

One day at a time
Smell the roses - taste the wine
One day at a time
No stop signs or red lights
That wheel keeps turning
On and on - day and night
No one survives
Ain't no use in cryin'
What ain't dead is surely dyin'
One day at a time

One day at a time
Smell the roses - taste the wine
One day at a time
No stop signs or red lights
That wheel keeps turning
On and on - day and night
No one survives
Ain't no use in cryin'
What ain't dead is surely dyin'
One day at a time
