Somewhere the sun is shining
On some unhappy day
Somewhere there's people laughing
Think they've found the way

But it's not me
It's not me, no, no, now
It's not me, it's not me
It's not me, it's not me
I'm not the one

Well, sure I used to cry
But I used to laugh too
Had my ups as well as downs, you see
But I been down now for so long
I've forgotten all my dreams

Yeah, it must be me
Said, it must be me, you know now
It's not me, it's not me
It's not me, it's not me
I'm not the one in the sun

Since I became
I've wondered what I've become
Lord, I know it can't be much longer
'Til I find my place in sun

Sometimes I wonder
Will I figure something out
Will I find a reason good enough to live
'Coz Lord, if it don't dawn on me pretty soon
I think someone's gonna give in

Yeah, it might be me
Yeah, it just might be me, yeah
It's not me, no, it can't be
'Cause I'm not the one in the sun

No, I'm not the one
Yeah, I'm not the one
Well, I'm not the one

No, I'm not the one, yeah
Sorry to say, I'm not the one
