OOOOHHHHH Yeah

WOOO

well sometimes I lose my direction
and sometimes I jump off track, aaah

But when I hideout baby
I can always get it back

I need to feel the cool breeze in my face
The rumble of the engine between my legs
Hey little sister you can color me gone

So if I want to stay out all nite long
You can't stop me from runnin wild
yeah
Don't you worry how long I'm gone
I'll come back every once in awhile

(CHORUS)

I pick'em up and lay'em on down
I never like my feet to ever hit the ground
Don't miss me when I'm gone
Cuz' I'll be around
I'm a free spirit baby
Pick me up and lay me on down

Thats right.....WOO

Well I know that I got me a good life
Jim Beam and woman they treat me right
I make my own rules, like it or not

Now don't miss understand me baby
I'll give in every once in awhile
Yeah well it's tough love
I'll leave you with a smile

So if I want to stay out all nite long
You can't stop me from runnin wild

I'll come back every once in awhile

(CHORUS)

I never like my feet to ever hit the ground
Don't miss me when I'm gone
