And we could fight this all night long  
There is no right - there is no wrong  
Love ain't easy - sometimes it is so blind  
The things we said were not so kind  
What you see is what you get  
I ain't that old - I'm not dead yet  
All those words we said  
Are in my head  
Now all I got left  
Is this Sad Song  
Something old and something new  
Something borrowed but now I'm blue  
I stood against the world with you  
But now I know baby our love is through  
What you see is what you get  
I ain't that old - I'm not dead yet  
All those words we said  
Are in my head  
Now all I got left  
Is this Sad Song!  
After all this time gone by  
Now I sit here and wonder why  
Yeah - I'm still here and baby you are gone  
All I got left...  
Is this Sad Song  
Sad sad song  
Oh!  
What you see is what you get  
I ain't that old - Girl I'm not dead yet!  
All those words we said  
Are in my head  
Now all I got left  
Is this Sad Song
