Santa comes once a year, we all know  
he don't use the chimney, got a key to my door ... oh  
Oh, look what Santa did (... he's messin' with me)  
They call it "Merry Christmas", but I say, Santa's  
messin' with the kid

He came in cold \*), zipped my tea  
He sat my wife upon his knee ... oh Lord!  
Oh, look what Santa did (he's messin' with me)  
They call it "Merry Christmas", but I say, Santa's  
messin' with the kid

He drank my eggnog, he nicked my cake

He grabbed my wife and gave her a shake ... oh Lord!  
Oh, look what Santa did (... he's messin' with me)  
They call it "Merry Christmas", but I say, Santa's  
messin' with the kid

Break: Woke up Christmas morning, Santa ain't around  
Only because the kid ran him outta town ... oh  
Oh, look what Santa did (he's messin' with me)  
They call it "Merry Christmas", but I say, Santa's  
messin' with the kid

Oh, ... oh look what Santa did!  
Oh, ... oh look what Santa did (... he's messin' with me)  
They call it "Merry Christmas", but I say, Santa's  
messin' with the kid
