Well, it looks like it's another Skynard family Christmas time Well, well, well, well

Seems like [Incomprehensible] New Year's Day Started out in old L.A Those big wheels keep turnin' once again

But this bus we ride, we call our home Well, this what keeps us movin' on But 11 months on this road, I'm goin' home

Family say they're trimmin' the tree Cookin' that turkey, waitin' on me Just like Santa, I'll be right on time

Thirty eight will be there too CDB will be quidin' you To another Christmas time

Sleigh bells ringin', children singin' It's another Skynard family Christmas time

Oh, pick an excuse That's right, dig deep

Christmas time

Sleigh bells ringin', children singin' It's another Skynard family Christmas time Sleigh bells ringin', children singin' It's another Skynard family Christmas time

Well, it's another Skynard family Christmas time Yeah, it's another Skynard family Christmas time That's right

It's another Skynard family Christmas time
