Whiskey bottles and brand new cars
Oak tree, you're in my way
There's too much coke and too much smoke
Look what's going on inside you

Ooh, that smell
Can't you smell that smell?
Ooh, that smell
The smell of death surrounds you, yeah

Angel of darkness is upon you
Stuck a needle in your arm
(You, fool, you)
So take another toke, have a blow for your nose
One more drink, fool, would drown you
(Hell, yeah)

Ooh, that smell
Can't you smell that smell?
Ooh, that smell
The smell of death surrounds you

Now, they call you prince charming
Can't speak a word when you're full of 'ludes
Say you'll be alright come tomorrow
But tomorrow might not be here for you
(Yeah, you)

Ooh, that smell
Can't you smell that smell?

Ooh, that smell
The smell of death surrounds you

Aw, you, fool, you
You stick them needles
In your arm
I know, I've been there before

One little problem that confronts you
Got a monkey on your back
Just one more fix, Lord, might do the trick

One hell of a price for you to get your kicks
(Hell, yeah)

Ooh, that smell
Can't you smell that smell?
Ooh, that smell
The smell of death surrounds you

Ooh, that smell
Can't you smell that smell?
Ooh, that smell
The smell of death surrounds you

Oh, you, fool, you
Don't stick those needles
In your arm
You're just a fool
Just a fool, just a fool

[Incomprehensible]
For my love
For my love, yeah
