(Gary Rossington, Ronnie Van Zant)
Well, have you ever lived down in the ghetto?
Have you ever felt the cold wind blow?
Well, if you don't know what I mean
Won't you stand up and scream?
'Cause there's things goin' on that you don't know
Too many lives they've spent across the ocean
Too much money been spent upon the moon
Well, until they make it right
I hope they never sleep at night
They better make some changes
And do it soon
Well, they're goin ruin the air we breathe
Lord have mercy

They're gonna ruin us all, by and by
I'm telling all you beware
I don't think they really care
I think they just sit up there
And just get high
Well, have you ever lived down in the ghetto?
Have you ever felt the cold wind blow?
Well, if you don't know what I mean
Won't you stand up and scream?
'Cause there's things goin' on that you don't know
Well, if you don't know what I mean
Won't you stand up and scream?
'Cause there's things goin' on that you don't know
Thing goin' on
