Konvict, Konvict
Damn lil' mama, you thought Akon and T-Pain
Was the only ones n luv wit a stripper?
Forgot to mention Twister, Pimp C
Paul Wall, MJG and Too Short?
Know we had to remix this

She got the body of a goddess, everybody know that
Super-cute face and the booty so fat
I'm in the club dropping twenty-four stacks
Cuz I'm in love and that's a well known fact

Like, yeah she know what she doing
If a nigga chillin' with a stripper then he never go back home
She got eyes butter pecan brown can't leave it alone
Liking the way she break it down to the flo'
Need to get her over here show her where
It's about to go down right now
I'm n love wit a stripper

You wanna know where Twista be on fifty?
T-Pain invited me to Magic City
I'm about to have some fun 2001's
In these pocket all my e-fizzles with me

I like the way mama get up on the table
I like the way she pour the honey in her naval
I like it when she smack her fatty and open it up in front of me
I wanna touch it but I ain't able

The one leg she can shake at the top of the pole
Look at the laffy taffy when she pop and she roll
I wanna get her in the bed right after they close
When I do a video you get the popular role

In the V.I.P. they get a lil' lap dance
Come and grind on the willy of a black man
In my ear tellin' me the shit a nigga like to hear
While I nibble on ya nipple like Pac-Man

She freakin', she lickin', she rubbin'
Then she pulled my dick out and start suckin'
All because I be the Twista
Even though T-Pain told me shorty was a freak
I asked her can I take her home
Down right now

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
"I'm n love wit a stripper"
Gotta get her, I gotta get with her
I can't stay out this club

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
"I'm n love wit a stripper"
Gotta get her, I gotta get with her
I can't stay out this club
(I'm n love wit a stripper)

Young Pimp C
I'm a P I M P, trickin' ain't in my pedigree
It really ain't 'bout no square love
It's strictly 'cause she payin' me
She be wantin' to lay me, but I can't do too much of that
Cuz even though yo ass fat, freakin' off ain't where it's
at

But I can show you how to get out there and get it
You love yo daddy, I know ya with it
That's why I got love for you
Cuz you get out there and do what it do

Workin' my piece and work the pole
Break the trick, you gotta pay to roll
Get the money, break 'em off
And we in the Benz and we scratchin' off

It was love at first sight
When I seen that ass shakin'
And 'bout fifty dollars later
It was love in the makin'

Ya simply won my heart
When I saw the way ya work that pole
And when you bent over
Ya had my wallet in a chokehold

I saw you in your birthday suit
And baby it was fate
When you give me a lap dance
It's like we goin' on a date

But I feel like ya cheatin' on me
When I see ya dancin' with other guys
I'm runnin' low on ones
I can't lie, I'm in love baby

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
"I'm n love wit a stripper"
Gotta get her, I gotta get with her
I can't stay out this club

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
"I'm n love wit a stripper"
Gotta get her, I gotta get with her
I can't stay out this club
(Kels this is crazy)

I'm n love wit a stripper
I must be the first man
To ever fall in love wit a ass
Gonna go down on my knees
And ask that ass to marry me

That booty makes me forget about
Any chick I freaked with in my past
Cuz we got a lot in common
She's a stripper, I'm a freak

Made me want to grab it
I gotta a habit, I gotta have it
You can call me the man of steel
Cuz that ass is just like a magnet

Damn, you got me so in luv
Can't stay away from this club
Every time I find myself
Rollin' up on them dubs

I've been around da world
See booty all the time
I've neva seen a booty
So so pertay, so so fine

Weer, weer, weer, weer
Comin' down da pole
No secret why I'm here
Cuz girl you keep my donk on swollen

When it drop drop, when it pop pop
And when it hop hop
Baby the way you doin' that thang
Don't you stop stop

I want to stick it, wanna kiss it
If I could, I'd put
My whole damn head in it, cuz

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
~I'm n love wit a stripper~
Gotta get her, I gotta get with her
I can't stay out this club
I'm n love wit a stripper

I'm in love with a stripper
I need to get some stripper counselin'
Cuz I'm the first one in the front row
When they make a stripper announcement

I think I'm fallin' in love with the one with the most ass
Thin, lil' bitty waist I'ma go and buy this bitch a
Volkswagen
MJG, pimp tight, no mo' tippin' stop the bill
If I come in here one mo' night I'm gon' need Dr. Phil
But I'm a G, I'll step back and tell them bitches outright
Ain't no way I can turn a stripper into a housewife

The last girl was pretty but she wasn't fine as you
She was sexy, but she couldn't do the thangs you do
She could dance but nothin' like the way you move
I used to want her until the day I saw you

I'm a grown ass man I thought I seen it all
Doin' all that on the pole and didn't even fall
And right then I knew exactly what it was
(What's that?)
I wanna fuck the baddest bitch in the club

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
~I'm n love wit a stripper~
Gotta get her, I gotta get with her

I can't stay out this club

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
I'm n love wit a stripper
Gotta get her, I gotta get with her
I can't stay out this club

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
I'm n love wit a stripper
Gotta get her, I gotta get with her
I can't stay out this club

I'm n love wit a stripper
She really think I'm playing, I'm playing
She take me for a joke when I said
I'm n love wit a stripper
Gotta get her, I gotta get with her
I can't stay out this club

I'm n love wit a stripper
