Losses, losers and more, gain of life's pleasures  
cohorts listen behind the doors to a life meaningless  
less than 0 in me all my walls falling down pains aloft  
misery

I'm sure that the lessons were learned I'm sure that the  
punishments went well deserved by the pawn in the  
plan taste of shit bitterness walk from me everything  
systematically

Come on youweretheone youweretheone,  
To dredge up shit inside of me in my pointless life of  
nothing

Tell me what I'm supposed to be  
Tell me who I'm supposed to be  
Tell me what it takes to ascend  
Tell me what it takes to live

Patience, pleasures and rewards, come in due time  
stare at the sun I'm bored in a life meaningless soaking  
up all of me like the cross you worship life is loss look  
at me I'm sure that some day we'll wake up I'm sure  
that some day we'll wake from the dream  
Of success and focus...tunneling to the light glowing  
deep inside of me your taunting I wake up

Come on youweretheone youweretheone,  
To dredge up shit inside of me in my pointless life of  
nothing

Tell me what I'm supposed to be  
Tell me who I'm supposed to be  
Tell me what it takes to ascend  
Tell me what it takes to live  
Tell me nOW!  
Tell me nOW!

Pain misery distress dismal know where depressed  
idiot failure  
In me.....calling.....loser.....man I'm the  
Loser.....loser.....loser.....in me.....who I am....in me....

Don't feel sorry don't feel sorry for me

Don't need your sympathy or empathy, don't need your  
sympathy inside of me,  
Don't need your sympathy or empathy, don't need your  
sympathy inside of me,  
Don't feel sorry don't feel sorry for me

Come on  
I know youweretheone youweretheone  
Numb to feelings inside of me why I've seized my  
vision  
Don't need you to tell me who to be  
Don't need you to tell me what to be  
Don't need you to tell me how to ascend  
Don't need you to tell me how to live
