she says it's cold outside and she hands me my  
raincoat  
she's always worried about things like that  
she says it's all gonna end and it might as well be my  
fault  
and she only sleeps when its raining  
and she screams and her voice is straining

(chorus)  
and she says baby  
it's 3am I must be lonely  
when she says baby  
well I can't help but be scared of it all sometimes  
she says the rain's gonna wash away I believe it

she's got a little bit of something, God it's better than  
nothing  
and in her color protrait world she believes that she's  
got it all  
she swears the moon don't hang quite as high as it  
used to  
and she only sleeps when its raining  
and she screams, and her voice is straining  
(chorus)

she believes that life is made up of all that you're used  
to  
and the clock on the wall has been stuck at 3 for days,  
and days  
she thinks that happiness is the mat that sits on her  
doorway  
but outside its stopped raining

(chorus)
