Yeah, yeah  
I see you, girl  
Dark Child  
I got my eyes on you, Monica  
Let me see what you workin' with  
Let's dance

When I step in the club, so much love  
All eyes on me  
All the girls and thugs ??? go up  
It's their time, baby

If you're lookin' right and your game is tight  
Come chill with me  
Get up on the floor and dance some more  
The night's just diggin' me, oh, ho, oh

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

And when I'm doin' my thing you're checkin' for me  
Just step my way  
Don't you be too shy or be ashamed  
You'll get love from me

So when we move in close, we're toe to toe  
Just dance with me  
And when we've come to me and my friends  
We'll do it again

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

Come on let me see you work it out  
On a pretty young thing you could turn it out  
Party all night, workin' it out  
Till the lights out, till the early morn'

Come on let me see you work it out  
On a pretty young thing you could turn it out  
Party all night, workin' it out  
Till the lights out, till the early morn'

Don't you know now is the perfect time  
I can make it right makin' you all mine  
Baby, tonight if you hold it down  
I can give you all that I got

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

I can feel your eyes on me, you're watchin'  
And off up in the club tonight is poppin'  
And I can tell that you're feeling it too  
I know you do

I see you, you're watchin' me  
I see you, all eyes on me  
I see you, you're watchin' me  
I see you, all eyes on me
