Some things in life are bad  
They can really make you mad  
Other things just make you swear  
and curse  
When you're chewing on  
life's gristle  
Don't grumble, give a whistle  
And this'll help things turn out for the best...  
And...

...always lood on the bright side  
of life...  
(Whistle)

Always look on the light side  
of life...  
(Whistle)

If life seems jolly rotten  
There's something you've forgotten  
And that's to laugh and smile and  
dance and sing  
When you're feeling in the dumps  
Don't be silly chumps  
Just purse your lips and whistle  
- that's the thing.  
And...always look on the bright  
side of life...  
(Whistle)

Come on.

Always look on the bright side  
of life...  
(Whistle)

For life is quite absurd  
And death's the final word  
You must always face the curtain  
with a bow  
Forget about your sin - give the

audience a grin  
Enjoy it - it's your last chance  
anyhow.  
So always look on the bright side  
of death  
Just before you draw your  
terminal breath  
Life's a piece of shit  
When you look at it  
Life's a laugh and death's a joke  
it's true  
You'll see it's all a show  
Keep 'em laughing as you go  
Just remember that the last laugh  
is on you  
And always look on the bright side  
of life...  
(Whistle)

Always look on the right side  
of life...  
(Whistle)

Come on guys, cheer up.

Always look on the bright side  
of life...

Always look on the bright side  
of life...

Worse things happen at sea you know.

Always look on the bright side  
of life...

I mean - what have you got to lose?  
You know, you come from nothing  
- you're going back to nothing.  
What have you lost? Nothing.

Always look on the right side  
of life...
