When I first saw you I already knew  
There was something inside of you  
Something I thought that I would never find  
Angel of Mine

I look at you looking at me  
Now I know why they say the best things are free  
Gonna love you boy you are so fine  
Angel of Mine

How you changed my world you'll never know  
I'm here for now, you helped me grow

Chorus:  
You came into my life  
Sent from above  
When I lost the hope  
You show my love  
I'm checkin for you  
Boy your right on time  
Angel of Mine

Nothing means more to me then what we share  
No one in this world can ever compare  
Last night the way you moved is still on my mind  
Angel of Mine

What you mean to me you'll never know  
Deep inside I need to show

(Chorus)

I never knew I could feel each moment  
As if they were new  
Every breath that I take  
The love that we make  
I only share it with you  
You, You, You, You

When I first saw you I already knew  
There was something inside of you

Something I thought that I would never find  
Angel of Mine

(Chorus)

How you changed my world you'll never know  
I'm here for now you helped me grow  
I look at you looking at me  
Now I know why they say the best things are free  
Checkin' for you boy your right on time  
Angel of Mine
