Do do do
Do do do
Do do do
Do do do

Let's get the party started
All born to stay up late
No one gets out of this one
No one gets out of this

Got a life from a life on TV
Two eyes that stay in my skull
Long enough to start to believe
If you give it up they'll love you for it
Give them blood and they'll love you for it

You're not my girl
You're just tired

Do do do
Do do do
Do do do
Do do do

Let's get the party started
All born to stay up late
No one gets out of this one
No one gets out of this

You're not my girl
You're just tired

Give it up they'll love you for it
Give them blood and they'll love you for it

You're not my girl
You're just tired

Do do do
Do do do
Do do do

Do do do
