She don't, but she will  
He says anything to keep her by him  
She takes, what she gets, and she never did flinch

So over, and over, anyone  
With any mind would think that's all she gets

(Chorus)  
If you want you can get to know me well  
We get along so we shouldn't argue  
And I don't know, said I don't know  
All these feelings, cloud up my reasoning  
Cloud up my reasoning

I know, but I still  
Believe in ignorance as my best defense  
So go on, wreck me  
Funny how I carry on, and not be taken over  
Will not roll over on anyone,  
'Cuz anyone would stand up on my side  
(Chorus)

You know it's funny how sometimes  
It don't work out like you want to  
No you never get nothing at all  
Then she tells you that it's over, boy don't you hate it  
when it's over  
I guess something just got lost, and it deeply saddens  
me  
So over, and over anyone, who's anyone  
(Chorus)
