Preprogrammed romance  
When he looks at you,  
I'm watching, too, through his video eyes.

He's no ordinary man.  
He was made to break your heart;  
He's the Automatic Man.

Two, three, four, five, six, seven, eight.

Ah-be-auto-we-bo-we,  
Ah-be-auto-we-bo-we.
