It's nothing, it's so normal you  
Just stand there I could say so much  
But I don't go there 'cuz I don't want to  
I was thinking if you were lonely  
Maybe we could leave here and no one would know  
At least not to the point that we would think so

Everyone here, knows everyone here is thinking about  
somebody else  
It's best if we all keep this under our heads  
I couldn't tell, if anyone here was feeling the way I do  
But I'm lonely now, and I don't know how  
To get it back to good

This don't mean that, you own me  
This ain't no good, in fact it's phony as hell  
But things worked out just like you wanted too  
If you see me out you don't know me  
Try to turn your head, try to give me some room  
To figure out just what I'm going to do

And everyone here, hates everyone here for doing just  
like they do  
It's best if we all keep this quiet instead  
And I couldn't tell, why everyone here was doing me  
like they do  
But I'm sorry now, and I don't know how  
To get it back to good

Everyone here, is wondering what it's like to be with  
somebody else  
Everyone here's to blame, everyone here  
Get's caught up in the pleasure of the pain, everyone  
hides  
Shades of shame, but looking inside we're the same,  
we're the same  
And we're all grown now, but we don't know how  
To get it back to good

Everyone here, knows everyone here is thinking 'bout  
somebody else

It's best if we all keep this under our heads  
I couldn't tell, if anyone here was feeling the way I do  
But it's over now, and I don't know how, it's over now  
There's no getting back to good
