Found a girl she's mama's pride
I tatoed her and now she's mine
I'll make the toast you raise the glass
Just a few words to kick the world in the ass

Round and round the town
The same ol' story is told
Better lock up your daughter when the m^ãttleys
Hit the road

We do the bad boy boogie
Bad is bad

There's a method to the madness
We never kiss and tell
Have a drink on the boys
We'll entertain you in style

We're innocent in every way
Like apple pie and chevrolet
Sweeter pies with different shapes
38-28-38

In and out of town alibis fit like a glove
Tell your daddy not to thank us
Honey, you're labor of love

We do the bad boy boogie
Bad is bad

I got my finger in the pie
My hand in the cookie jar
It's just a lick and a promise
In the back seat of my car

There's a method to the madness
We never kiss and tell
Have a drink on the boys
We'll entertain you in style

We do the bad boy boogie

Bad is bad

I got my finger in the pie
My hand in the cookie jar
It's just a lick and a promise
In the back seat of my car

Bad boy boogie
