Out go the light  
In goes my knife  
Pull out his life  
Consider that bastard dead  
Get on your knees  
Please beg me, please  
You're the king of the sleaze  
Don't you try to rape me

(bastard)  
Consider that bastard dead  
(bastard)  
Won't get screwed again  
Whoa! whoa!  
Bastard  
Make it quick, blow off his head

Got your neck in the noose  
I got nothing to lose  
We're really gona screw you  
Consider that bastard dead  
Quick as a shark  
Beast has its mark  
You can't beat the dark  
Don't you try to rape me
